Daily activities of INSEC are performed through the Executive Director and below mentioned programs.

Human Rights Documentation and Dissemination Program

This Program, involved in monitoring, study, investigation and documentation of incidents of human rights violations and abuses, publicises the report based on field study. Publications, including central and regional level quarterly situation reports, bi-monthly magazines Prachi and Informal and annual publication Nepal Human Rights Year Book are prepared by this Program. The department also runs a human rights news portal, www.inseconline.org. The Program takes initiative for immediate support to the victims, issues urgent appeals, maintains coordination with the national and international human rights institutions and stakeholders.

Human Rights Education Program

Through this program, INSEC disseminates human rights education in coordination of local human rights organisations. To create awareness in the rural areas through literacy awareness program, this department conducts human rights trainings, group mobilization, and interaction and discussion with the stakeholders. Books and training materials are also published by this Program.

The main objective of this Program is to ensure public access to human rights information through Radio Nepal. Current relevant human rights issues are disseminated through this Program on weekly basis. Different programs are conducted at local level by establishing coordination with Radio Listeners' Club. Additionally, activities related to raising of awareness of human rights issues among the children and activities related to their personality development are conducted through the child clubs formed in different government schools in the initiation of INSEC.

Human Rights Campaign and Advocacy Program

The main responsibility of this Program is to exert pressure on the government to formulate policies, rules in compliance with international human rights and humanitarian laws and identify the rights of the marginalised communities. Review of law, human rights treaty monitoring and human rights campaign are also conducted through this Program.

Management Program

All the administrative and financial management of INSEC fall under this Program. This Program has been undertaking capacity building programs for the employees under the human resource management. This Program has the responsibility to carry out institutional planning, monitoring and evaluation. Under the activities of information management, it has a library and internet technology sections. Publications like Annual Report and INSEC Avian are prepared by this Program. For the management of information under the organization, library and information technology units are established within this program.
